This diagram shows the core routes operating in and out of Dublin city centre. Listed below are some key destinations and attractions in and around the greater Dublin area, and the routes that serve them.

How to use this diagram.
Most bus routes displayed on this diagram cross the city centre and routes of similar colour follow the same path with the exception of Routes 29a, 41/c, 31/a/b and 130. For example, Route 46a from the Phoenix Park is shown in pink entering the city centre via O'Connell Street and exiting via Nassau Street to Dún Laoghaire.
